In re: Citizens for Dave Obey Committee
C00017830

Dear Sir or Madam:

I am in receipt of a copy of a User Selected Itemized Transactions (see enclosed) sent to Steven Grossman, 30 Huntington Rd, Newton, MA 02158 and David Grossman, 30 Huntington Rd, Newton MA 02158 from the Federal Election Commission.

This record shows two contributions made to the Citizens for Dave Obey Committee from each of the above contributors on June 26, 1996 for the Primary Election in the amount of \$1000 each.

Our records show that we have only received one contribution of \$1000 on June 26 for the Primary Election from Steven Grossman and one contribution of \$1000 on June 26 for the Primary Election from David Grossman. These contributions were reported on our July 15 Quarterly Report.

Mr. Steven Grossman has contacted our campaign committee and asked that we notify you of this error so that you can correct your records. If you have any further questions please feel free to contact me at (715)845-2069.

Thank you for your help.

Sincerely,

John F. Spencer
